## **INTERMEDIATE / SUBLEASE AGREEMENT**

### **Rules for Subletting or Intermediate Rental of a PSOAS Apartment**

When choosing a tenant, it is advisable to exercise caution, check their credit history and request a security deposit.

Prior to the start of the lease, the main tenant must obtain written approval from the PSOAS Housing Office. A sublease/intermediate agreement must be made and a copy sent to the PSOAS Housing Office before the agreement begins.

A tenant is not allowed to make a profit by subletting or renting intermediately. The rent must be the same as that charged by PSOAS. Only reasonable costs caused by the rental can be added (max. 50 €/month).

A tenant is not allowed to sublet their apartment without a valid reason or exchange their apartment with another tenant.

The apartment cannot be sublet or intermediately rented if the main tenant no longer needs the apartment. If the primary tenant is no longer a student or has permanently moved to another apartment, the lease must be terminated.

If the lease is terminated, the apartment will be offered to a new student based on a waiting list. Intermediate or sub-tenants cannot stay in the apartment.

Any violation of these rules may result in termination of the lease.
